- Volunteer Support Workers provide a one to one counselling support service to adult clients. We also provide a support service to children who have been bereaved.
- Fundraising activities undertaken throughout the year.
- Provide training for new volunteer support workers. Support existing support workers with ongoing CPD and training.
- Information leaflets distributed to local health centres, ministers, hospitals, undertakers and other relevant areas. Notepads with our contact details are provided free of charge at local community events throughout Shetland.

# Achievements and performance

Summary of the main achievements of the charity during the financial period

The Trustees are pleased to report that SBSS has met its objective of providing a bereavement support service to the people of Shetland. Demand continues to be high for the service, with a waiting list in place at year end.

SBSS continues its partnership working with Shetland CLAN, Mind Your Head, Shetland Recovery Hub and Shetland Sands (still birth and neo natal death), as well as ongoing connections with NHS Mental Health Team and Shetland NHS Health Improvement Team.

Donations totalled £9,808 – thank you to all the local businesses and people who generously donated to the service. The Community Mental Health & Wellbeing Fund (CMHW) has awarded £4,000 towards establishing group support in Lerwick.

Other sources of funding continue to be sought to ensure the viability of the service going forward. This year saw SBSS start a three year funding award with a National Lottery Improving Lives Grant of £48.183.

Main achievements in 2024-25 include:

- 87 clients supported on a one to one basis.
- 607 support sessions offered to clients
- 12 bereaved families applied for memory boxes, directly supporting 44 family members.
- Room refurbishment complete, office and meeting rooms
- Website continues to be updated and information added new video showing a client's journey now available to view – thankyou to AHS YPI group for making and donating this video to SBSS.
- Hosted re-connector day for all volunteers with the service, offers training and networking
- Life After Loss (group support) launched in Lerwick
- Took part in YPI and supported 4 groups. Successfully won two YPI's at Sandwick High School and Unst/Yell
- Delivered 3 Wave after Wave (post suicide support) training workshops
- 2 support workers currently working towards their placement hours to complete their children and young people training, and another 3 support workers have started their children & young people training with CRUSE.
- Supported publication of 'Emojis in the Margin' poetry book sharing the poet's very open and honest experience of grief
- 8 new volunteers starting their Bereavement & Loss Training

Our social media and website continue to raise awareness of our service and are useful tools when promoting events and training courses.

The service is represented on the Shetland Mental Health Partnership and Third Sector Forum. It is important that our service is recognised by statutory bodies. SBSS continues to have positive connections with the NHS Chaplain, SIC Psychological Services and the local Community Mental Health Team.

And last, but not least, the Committee would like to thank its volunteers for all their hard work, time and commitment over the last year – the service could simply not run without them.

#### Financial review

Brief statement of the charity's policy on reserves

The trustees have examined the charity's requirements for reserves in light of the main risks to the organisation. They have established a policy whereby the unrestricted funds held by the charity should be between 3 to 6 months of expenditure. However, the trustees recognise this sum may only be achieved by building on reserves through operating surpluses that may be subject to funder grant condition restraints.
