### Achievements and performance

# Summary of the main achievements of the charity during the financial period

Meals at Home – we have an enthusiastic cohort of around 30 volunteers supporting some 40 clients with deliveries up to three times a week. Our local food providers, Crofters, Highland Farm Café, and Harbour Fish and Chips, provided nourishing and nutritious meals.

Befriending - this service is run in partnership with Highland Hospice Helping Hands. During the year new befriending relationships were set up, and new volunteers were trained and paired with clients.

Our Sharing larder has been kept fully stocked throughout the year, with regular use by those in need.

The ommunity garden outside the leisure centre is now well established. Volunteers have maintained the garden.

Intergenerational activities continued to develop post-lockdown with young people from Fortrose Academy participating in activities with our Black Isle Cares clients and with residents at Eilean Dubh Care Home.

We were grateful for funding from The Highland Council's Moving On funding which has allowed us to develop and expand our services, and to Highland Third Sector Interface Communities Mental Health Fund for their support for our Befriending service.

We also thank the many individuals and organisations who gave us donations during the year. These form an important part of our income without which our services would be much restricted.

Our Trustees met monthly for most of this year and continued their highly valued voluntary drive and initiative into maintaining and developing services. We produced regular newsletters for clients and volunteers. We kept people informed using our Facebook page. We maintained strong partnership links with both public and private sector organisations in our efforts to ensure the best support of residents in the Black Isle.

### Financial review

# Brief statement of the charity's policy on reserves

The charity maintains sufficient reserves to enable its main activities to continue on a day-to-day basis. At the year end we carried bank funds of £29,974 which is equivalent to 7 months running costs. Fundraising and applications to grant giving bodies will continue to support continuing and new activities

Details of any deficit

The deficit of £9,275 recorded for the year is largely attributable to overhead costs and expenditure of funding received in previous years on restricted funds...

Donated facilities and services (if any)
