Charity No: SC016387

Trustees' Annual Report Year ended 31 December 2024

The trustees present their annual report and financial statements of the charity for the year ended 31 December 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

Objectives, Activities and Achievements

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

This year was similar in many ways to the previous years with the exception of our minister announcing he would be stepping down in February 2025.

A regular Service of Worship was provided each Sunday. Typically our live services were attracting 50-60 people and our recorded services a further 60-70. The All-Age service in The Forsyth Hall on the third Sunday of each month has continued to be well received. Sunday School continued to meet on the first Sunday of the month and is staffed by a small team of trained volunteers on a rota basis. The Welcome Team provided hospitality during or after Sunday services, giving valuable opportunities for fellowship.

Special services were held for Maundy Thursday and Good Friday, shared with Ellon Church, and we had our usual Founders' Day service in February, World Day of Prayer service in March, Memorial Service in May and our Elders' Service in the early summer. Our Remembrance Day Service was well attended and Christmas, as ever, was a busy spell with our Christingle Service, Bon Accord Brass Band Service, Balmedie Leisure Centre Service and Watchnight Service. Six services observing the Sacrament of Holy Communion were held during the year. Two Praise night services were held jointly between Ellon and Belhelvie Churches, the first in Ellon in June and the other in Belhelvie in September.

The House Group met through the winter and early spring but the Kirk Club was to wind up after 20 years. A group for people interested in exploring faith, the SNAP group, began to meet monthly in the hope that some may move on to become members. Mainly Music – our parent and toddler class – continued to be very well attended and maintains a waiting list. The Guild continued to be a focal point for learning, fellowship and service within the congregation with a varied program of activities and provision of fundraising soup lunches.

Our small prayer group continued to meet in person. Twice monthly services were arranged for Crossreach Balmedie Care Home, involving local ministers and volunteers.

Objectives, Activities and Achievements (continued)

Our Monthly Coffee Haven café, run by the Pastoral Care Team, and Men's Breakfasts continue to be well supported. The revamped Social Committee continue to provide a good range of activities throughout the year, bringing church and community together and raising funds for the church. A group called 'The Golden Girls' is active to draw the women of the congregation together for social activities. Our new Safeguarding Convenor continues to do a good job of ensuring compliance with the appropriate regulations, and the Finance team co-ordinate well in the oversight of church finances and accounting. A new mission partner was appointed. The Friends Group of Balmedie House provided monthly entertainment for the residents and held a Crossreach Week in September.

The number of groups hiring The Forsyth Hall and Annexe continued to grow steadily this year, bringing in regular valuable income. The Hall Convenors have settled into the role well and have streamlined the administrational management for our external lets.

Our suite of buildings and our glebe have continued to be well managed and maintained by a group of capable church volunteers.

Financial Review

The General Fund income in 2024 was £77,735 (2023 £79,471) and is made up as follows:

- The membership remained the major supporters of the Church through their commitment and contribution, with £55,861 (2023 £56,821) being contributed via recorded contributions. A further £5,018 (2023 £4,675) was received by open plate offerings.
- Donations in the year amounted to £nil (2023 £910).
- In 2024 tax recovery totalled £10,531 (2023 £13,012), plus there was an additional £nil (2023 £199) relating to interest received on the tax recovery claim.
- Income from weddings and funerals totalled £1,480 (2023 £2,380). Pastoral Team and Golden Zumba income amounted to £3,987 (2023 £978), interest received in the year was £378 (2023 £336) and Church magazine advertising income amounted to £480 (2023 £160).

Once again the annual review cards were used and this raised awareness of giving among the members. The Trustees would again stress the need for members, who have not already done so, to consider using one of the recorded methods of contribution, which allows the Church to format a proper budget for the running costs and maintenance. In addition, donations should be made, where possible, under the Gift Aid scheme which allows the Church to recover an extra 25% of the donation from HM Revenue and Customs.

Financial Review (continued)

The General Fund expenditure of £72,104 (2023 £70,677) increased during the year primarily due to Presbytery dues of £2,047 (2023 £nil), higher building costs of £1,351 mainly attributable to higher heat and light offset by a lower Giving to Grow contribution in the year of £2,182.

At the end of the financial year the General Fund had a surplus of £5,631 (2023 surplus £8,794) before transfers.

A transfer was made during the year from the General Fund to the Designated Fabric fund of £5,000 (2023 £5,000).

After the transfer, there was a surplus of £631 (2023 surplus £3,794). Adding this surplus brings the total year end value of the General Fund to £88,508 (2023 £87,877).

The Development Project Fund received income of £10,738 (2023 £27,352) via donations and monthly regular giving. Tax recovery amounted to £2,456 (2023 £2,265).

Included within note 8 of the Accounts £11,094 (2023 £27,304) has been capitalised during the year for the finishing works carried out relating to the Development Programme. This related to the tarring of the final area of the car park. These movements have resulted in the fund being increased by £2,100 during the year (2023 £2,313) to give a total carried forward fund value at the year end of £10,273 (2023 £8,173).

Fundraising activities with the Social Committee and Welcome Team raised £7,116 (2023 £9,944) for improvements within the Forsyth hall and annexe. Other income from hall and annexe lets and donations amounted to £12,841 (2023 £11,128). Hall and annexe expenditure amounted to £14,928 (2023 £15,702) and was for maintenance, repairs and running costs of the hall and annexe. The movement in the fund during the year gives a total carried forward fund value at the year end of £13,543 (2023 £8,514).

The Mainly Music recorded income of £1,295 (2023 £1,365) and expenditure of £1,413 (2023 £1,040) during the year. The fund was depleted by £118 (2023 increased by £325) and this has been deducted from (2023 added to) the fund to give a total carried forward fund at the year end of £2,898 (2023 £3,016).

The Designated Fabric Fund recorded interest on investments of £1,384 (2023 £1,150) and £5,000 (2023 £5,000) transfer from the General Fund. Expenditure in the year was £2,056 (2023 £11,961) relating to the cost of maintenance and repairs of the church and manse properties. 2023 costs were significantly higher mainly due to the one off cost of £9,008 converting the manse from oil to gas central heating. The fund was increased by £4,328 (2023 depleted by £5,811) and this has been added to (2023 deducted from) the fund to give a carried forward fund value at the end of the year of £14,096 (2023 £9,768).

Financial Review (continued)

The Investment Funds recorded a gain of £3,333 (2023 gain £3,097) for the Growth and Income funds held with the Church of Scotland Investors Trust. The Fabric Reserve fund also held with the Church of Scotland Investor Trust received interest of £7 (2023 £4) giving a total carried forward funds value at the year end of £53,799 (2023 £50,459).

The Glebe fund received rent of £772 (2023 £728) during the year for sheep let. After deducting rental payments to the Church of Scotland amounting to £600 (2023 £600) there was a surplus of £172 (2023 £128) resulting in a total carried forward fund value at the year end of £2,348 (2023 £2,176).

There were no movements in the Benevolent fund, Right Christmas Appeal fund and Flower fund during the year with fund values remaining at £2,124, £10 and £250 respectively.

Risk Management

2024 saw a reduction in membership of two, one through death and one by certificate of transference, with four new members joining – three by certificate of transference. There was one baptism, and one service of blessing. This downward trend, as with so many congregations, is cause for concern and we are constantly reflecting on how we might change it.

Despite the challenges of the cost of living crisis, our giving has held up relatively well this past year, and the central church's move to a new system of calculating our central 'dues' ('Giving to Grow') looks to be benefitting us going forward, leaving a little more finance in our own hands. Increasing Hall usage is also helping us financially as well as raising the profile of our Church within the community.

The nationwide Presbytery Planning process, necessitated by a shortage of ministers, declining numbers of folk in membership and an historic surplus of buildings, is still underway and we are conscious that those changes will inevitably affect us here in Belhelvie which now falls under the combined Presbytery of the North East and the Northern Isles (NENI). We are looking forward to closer working relationships with Ellon Parish Church, while still retaining our congregational integrity and ministry.

Reserves Policy

The trustees have considered the reserves required and have taken into account their current and future liabilities. It is the Trustees' policy to hold reserves of approximately six months expenditure including designated funds. At the year end the Church held unrestricted funds of £88,508. This includes the provision for six months expenditure and also the amount envisaged on necessary church repairs.

The Church also held £838,764 of restricted funds which have been provided for the purposes specified in Note 14.

Structure, Governance and Management

The congregation is a registered charity, number SC016387 and is administered in accordance with the Deed of Constitution (Unitary Form) and is subject to the Acts and Regulations of the General Assembly of the Church of Scotland.

Members of the Kirk Session are the charity trustees. The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gift and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery. Certain responsibilities are delegated to the Finance Committee and Property Committee as appropriate. The Kirk Session which meets six times a year is responsible for spiritual affairs within the Church.

Trustees' Responsibilities in Relation to the Financial Statements

The charity trustees are responsible for preparing a trustee's annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which show a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the method and principles in the applicable Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustees Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the Trustees of Belhelvie Parish Church

I report on the accounts of the charity for the year ended 31 December 2024 which are set out on pages 9 to 18.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the

Accounting Policies

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities accounts (Scotland) Regulations 2006 (as amended).

Fund accounting

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Incoming resources

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Fixed Assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church, hall and manse, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the Statement of Financial Activities in the period in which the liability arises.

All tangible fixed assets costing in excess of £1,000 having a value to the charity greater than one year, other than those acquired for specific purposes, are capitalised. Depreciation is provided, excluding Land and Buildings, on a straight-line basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives:

Central heating boiler system and controls 15 years Fixtures, fittings and office equipment 5 years

Investments

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

Taxation

Belhelvie Parish Church is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

13. Volunteers

In common with all congregations of the Church of Scotland the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.
