

Trustees' Annual Report

Charity Name: Lownie Hill Farm SC053311

Financial Year: 25/04/2024 to 31/01/2025

During the reporting period, the charity remained financially dormant, with no transactions recorded. However, despite the absence of financial activity, the charity continued to engage in meaningful, non-financial initiatives aligned with its mission. Notably, we hosted a series of wellbeing days, offering individuals and community groups the opportunity to connect with nature and animals in a peaceful farm setting. These sessions provided therapeutic benefits and supported mental wellbeing. We also continued to care for the horses previously looked after by Saddle Up Ranch, ensuring their ongoing welfare. In addition, we provided a safe and secure environment for sheep and goats that were displaced due to storm damage at their owners' smallholding.

Receipts and Payments Account

| Description | Receipts (£) | Payments (£) |
|--------------------|--------------|--------------|
| Total for the year | 0.00 | 0.00 |

This account shows that the charity had no income or expenditure during the financial year.
