TRUSTEES' REPORT

For the year ended 31 January 2024

The Trustees present their annual report for the year ended 31 January 2024.

New Lanark is an authentic and enduring historic community. The intellectual tradition it preserves and celebrates remains of global contemporary relevance and interest. The site is one of the most important industrial heritage sites in the world and has significance for all who are interested in co-operation, utopianism and industrialisation. This historic legacy provides a powerful opportunity for education and learning. New Lanark retains relevance not just because of its intellectual roots, and historic fabric, but also because of its evolving nature as a living place where those values are upheld.

OBJECTIVES AND ACTIVITIES

The main objective of the Trust is to achieve the restoration, preservation, interpretation and presentation, for public use and access, of the historic, UNESCO inscribed World Heritage village of New Lanark of which the Trust is a major owner of land and buildings.

The Trust seeks to be innovative, progressive and pioneering in the use of historic buildings, in community co-operation and development. New Lanark offers private housing for rent, as well as business accommodation. It is committed to maintaining the site as a living, working community.

The Trust seeks to achieve the core objective by:

- maintaining the vitality of the village by ensuring that all buildings are occupied and put to appropriate use, including the residential accommodation in the village;
- engaging in appropriate commercial activity to generate income to support the core objective; and
- raising funds from outside sources to enable major restoration and preservation works to be undertaken and to supplement income earned from commercial activities

Operating directly and through three wholly-owned subsidiary entities, the Trust operates a hotel and leisure facility, hostel, self-catering Waterhouses, visitor centre, café, two retail shops, generation of hydroelectric power, the spinning of woollen yarn, the manufacture and sale of ice cream, and the letting of premises to commercial tenants.

The contribution of volunteers is essential to the Trust, providing support in the Search Room and stewarding at events and exhibitions. Their generous commitment of time is appreciated and acknowledged, and the Trust has a continuing commitment to the recruitment and induction of volunteers.

The Trust acts in consultation and cooperation with a number of partners in relation to the management of the World Heritage site: South Lanarkshire Council, Historic Environment Scotland, Scottish Wildlife Trust, and with major capital funders including the Heritage Lottery Fund. The support of all of these bodies is acknowledged.

TRUSTEES' REPORT

For the year ended 31 January 2024

ACHIEVEMENTS AND PERFORMANCE

Commercial Activities. The Trust's trading subsidiaries have continued to run New Lanark's commercial activities during 2023/24 providing substantial employment opportunities for local people and generating funds to be re-invested in the restoration and on-going maintenance of the historic buildings and woodlands. However, the Trust remains hugely dependent upon support from public bodies. During the year, Historic Environment Scotland and the Scottish Government were the main contributors to the New Lanark Trust maintenance and repairs budget.

Grant funded projects. The Scottish Government awarded £435,000 in respect of essential maintenance works. The National Heritage Memorial Fund awarded a grant for building maintenance of £2.4m, although none of this was drawn down in the year to January 2024. Historic Environment Scotland awarded £360,000 for site maintenance, £15,000 for a World Heritage grant and £15,000 for an Education and Awareness grant South Lanarkshire Council awarded £9,950 for a feasibility study for the regeneration of the visitor attraction and £25,000 for an upgrade to the Trust's website.

These grants help New Lanark leave a legacy of the long aspired to improvements to the historic buildings and public realm.

Included in the group are four subsidiary entities:

New Lanark Trading Ltd

The principal activities of the company in the year under review were the operation of a visitor attraction, comprising the Visitor Centre, café and shop, with related activities including the manufacture of ice cream, textile production and the generation of hydroelectricity which it uses on site, selling any excess to the main grid. On 1 February 2021 charitable status was awarded by OSCR.

New Lanark Hotels Ltd

New Lanark Hotels Ltd runs the 38-bedroom Hotel, eight self-catering Waterhouses and a Leisure Club. On 1 February 2021 charitable status was awarded by OSCR. In the Autumn of 2023 the directors made the decision to simplify the structure of New Lanark group and cease the activities of New Lanark Hotels Limited. The management of the hotel and waterhouses was taken on by New Lanark Trading Limited and on 31 January 2024 New Lanark Trading Limited acquired certain assets and liabilities of New Lanark Hotels Limited. A liquidator has been appointed on 12 April 2024 for winding up the entity.

New Lanark Homes Ltd

New Lanark Trust is a Registered Private Landlord and has ownership of buildings that are rented out as 45 domestic tenancies. New Lanark Homes Ltd is the subsidiary operating company, with charitable status, that managed these on a day to day basis, including the collection of rent until 1 June 2021 when the management was transferred to the Trust and the activity of the charity ceased. The rental income is used for the sole purpose of the management, upgrade and repairs works to these properties. New Lanark Homes Limited is now dormant.

New Lanark Ice Cream Ltd

The ice cream business is now operated through New Lanark Trading Ltd. New Lanark Ice Cream Ltd ceased trading on 31 January 2016 and was dissolved on 9 April 2024.

TRUSTEES' REPORT

For the year ended 31 January 2024

FINANCIAL REVIEW

The Trust is supported by income from its commercial tenants and its trading subsidiaries. Currently these funds are augmented annually with grant income of £360,000 from Historic Environment Scotland.

The group recorded net income for the year amounting to £1,395 (2023: net expenditure of £1,213,912). After transfers, there was net income of £484,421 (2023: net expenditure of £979,547) on unrestricted funds and net expenditure of £483,026 (2023: net expenditure of £234,365) relating to restricted projects. This excludes capital expenditure, which amounted to £8,301 (2023: £211,255) in the year.

Reserves Policy

The unrestricted reserves of the group amount to £18,322,026 (2023: £17,837,605). The policy of the group is to hold £600,000 in a general reserve as contingency funds. The trustees acknowledge that the trading results have been significantly adversely affected by the Covid pandemic and the slow recovery from this. As has been widely publicised, the tourism and hospitality sectors have been especially badly affected through this period. As a result of these circumstances the Trust has not been in a position to adhere to the policy whereby a general reserve of £600,000 is held as a contingent sum. The trustees are aware that it is desirable to hold such a reserve and will endeavour to return to this position once the trading environment has improved sufficiently.

The Trust has designated reserves of £19,672,565 (2023: £19,775,033), with £19,585,065 (2023: £19,687,533) representing the net book value of fixed assets held by the Trust that are not freely available to be used as working capital.

Investment Policy

The Trust operates a Treasury Management Policy to maximise interest, on low risk investments, on the Trust's funds and to monitor risk and investment in relation to liquid funds.

Risk Management

A comprehensive Risk Register, covering all aspects of New Lanark's activities, is maintained, and regularly reviewed by the Board of Trustees. Trustees seek to assess the likelihood of any adverse event and control, with close management control and forward planning, any impact that might have on the ability of the Trust to carry out its aims and objectives. In association with the Risk Register process, policies and procedures are in place covering health and safety / fire / risk assessments and Business Continuity Plans, all of which are reviewed and regularly updated.

The Trustees and senior management consider that the key risks and uncertainties are:-

TRUSTEES' REPORT

For the year ended 31 January 2024

Risk Description – Financial

Uncertainty of Capital Programme

Possibility due to fall in reserves and/or failure to obtain grant funding

Strategy to manage Risk

- 1. Strengthening fundraising capacity
- 2. Utilise knowledge that exists within existing team to develop funding streams and potential partners.
- 3. Link to efforts to increase visitor numbers and income generation across site and trading companies including use of GRANTfinder software to identify potential funding opportunities
- 4. Maintenance activities to be prioritised by SMT to manage risk and stay with financial constraints in short -term.

Risk Description – Building / Structural

Fire risk to Mill 3

Strategy to manage Risk

- 1. Install new fire detection system in Mill 3 and, post year end, install fire suppression systems in the hotel kitchen and sauna.
- 2. Continued staff training and evacuation drills.

Risk Description - Building / Structural

Structural issues with Church Building

including retaining wall & access

Strategy to manage Risk

- 1. Regular inspection of the building by staff and architect and maintain to weather tight standard.
- 2. Recorded surveys of retaining wall onto path undertaken. Review results of ongoing survey to establish degree of movement and plan actions accordingly.
- 3. No access to the public to the building or surrounds gate padlocked.

Risk Description – Financial

Continued financial & commercial viability

Possible loss of subsidy / insolvency / business failure / unexpected financial loss / loss of revenue / fall in visitor numbers / significant changes to market

Strategy to manage Risk

- 1. Upgrade and updating of existing visitor attraction to meet expectations of visitors accustomed to 'modern' presentation of historic sites.
- 2. Continue to explore new avenues of marketing for the site as a whole.
- 3. Seek opportunities to combine advertising/publicity with retail partners/concession holders.
- 4. Working with partner organisations to promote site.
- 5. Forward planning to identify new audience and how to attract visitors including Temporary exhibition programme to encourage repeat visits.
- 6. Business interruption/continuity planning to be continually reviewed and further developed.
- 7. Continued marketing to capture new audiences.
- 8. Engage with Scottish Government to establish a level of support for the World Heritage Site.

TRUSTEES' REPORT

For the year ended 31 January 2024

PLANS FOR FUTURE PERIODS

Extensive ongoing capital expenditure is required for both building maintenance and refurbishment as well as the proposed expansion of the hydro power production scheme.

In July 2023 the Trust was awarded a grant of £2.4m for essential building maintenance work from the National Heritage Memorial Fund. This expenditure will be spread over two years and will enable specific work to be carried out on the School, Nursery Buildings, New Buildings and Long Row.

The feasibility study for the expansion of the hydro scheme is ongoing with all relevant partners being kept appraised of progress. At the date of signing of these accounts there is no definitive figure of the total sum of the work required.

During the year the Trust secured planning consent for the redevelopment of the Wee Row Hostel which will be converted into four shell-type townhouses for sale in the residential market. In addition, a planning permission was secured for the conversion of David Dale's House to a bar/bistro. It is anticipated that work will start on these projects in the year 2025/26.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document and Organisational Structure

New Lanark Trust is an unincorporated charity, governed by Trust Deed, registered as a charity by the Office of the Scottish Charity Regulator. The Trust is administered by a Board of Trustees, who make the strategic decisions that shape the direction of the Trust, and all of whom give their support to the Trust on a voluntary basis. The Trustees appoint the Chief Executive and other Senior Management staff, who are responsible for the day-to-day running of the Trust.

During 2023/24 regular Trustee board meetings were held with additional board meetings held for the subsidiary companies, the directors of which are also Trustees

Recruitment, Appointment, Training and Induction of Trustees/Senior Management staff

Trustee vacancies are filled in accordance with the Trust Deed and its Recruitment Policy and appropriate induction for new Trustees is also carried out.

Pay and Remuneration of Key Personnel

Senior and Operational Management staff are remunerated in line with industry norms along with any increments set out at time of recruitment, or awarded as a result of any additional training, qualifications or responsibility. Otherwise, increments are usually limited to annual cost of living increases across all pay scales. New Lanark Trust operates a Defined Contribution pension scheme, open to employees over 25 after three years' service. For most eligible staff the employee's contribution is matched by the employer up to a maximum of 5%. Otherwise, the Auto-Enrolment schemes are available to all employees in line with statutory requirements.

TRUSTEES' REPORT

For the year ended 31 January 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT (cont.)

Related Parties

The Trust continues to work closely with all parties interested in the wellbeing of New Lanark. Friends of New Lanark, a registered charity, continues to assist and promote the work of New Lanark Trust.

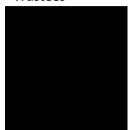

New Lanark Village Group is also a registered charity and acts as a community group for the residents of the village of New Lanark. As well as raising funds and organising social events for the resident community, the Village Group acts as the contact point for discussion of Trust restoration works and activities, in general, enabling the village residents to be consulted about village developments.

TRUSTEES' REPORT

For the year ended 31 January 2024

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Law applicable to charities in Scotland requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Trust at the end of the year and of their financial activities during the year then ended. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Trust and which enable them to ensure that the financial statements comply with The Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Constitution of the Trust. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Trust and to prevent and detect fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the Trustees are aware, there is no relevant audit information of which the charity's auditors are unaware, and each Trustee has taken all the steps he ought to have taken as a Trustee in order to make themself aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Approved by the Trustees on 24 September 2024 and signed on their behalf by:

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES

For the year ended 31 January 2024

Qualified Opinion

We have audited the consolidated financial statements of New Lanark Trust group (the 'charitable group') for the year ended 31 January 2024, which comprise the Consolidated Statement of Financial Activities, the Consolidated Balance Sheet, the Consolidated Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

Basis for Qualified Opinion

On 12th April 2024 New Lanark Hotels Limited, a subsidiary undertaking of which New Lanark Trust has a 100% holding, was placed in liquidation. The accounting records of New Lanark Hotels Limited were prepared to 31 January 2024, and included in the consolidated accounts, however we were unable to obtain sufficient access to the underlying records or supporting documentation thereof. We were unable to satisfy ourselves by alternative means concerning the accounting records of the New Lanark Hotels Limited by using other audit procedures. Consequently, we were unable to determine whether any adjustments to the figures relating to New Lanark Hotels Limited included in the consolidated profit and loss account or balance sheet was necessary.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material uncertainty related to going concern

In forming our opinion on the financial statements we have considered the adequacy of the disclosure made in notes 1(a) and 23 to the financial statements concerning the charity's, and the groups', ability to continue as a going concern. As at the year end the charity had a deficit on General Fund of £383,856, the group a deficit of £1,350,539 and the group had net current liabilities of £579,481. These conditions indicate the existence of a significant material uncertainty which casts doubt about the charity's, and the group's, ability to continue as a going concern.

The financial statements do not include the adjustments that would result if the charity was unable to continue as a going concern.

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Our evaluation of the trustee's assessment of the group ability to continue to adopt the going concern basis of accounting included assessing the clients budget forecasts and reviewing activities post year end.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES

For the year ended 31 January 2024

Other information

The other information comprises the information in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Charity Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities set out on page 8, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES

For the year ended 31 January 2024

Our responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities that result from fraud are inherently more difficult to detect than irregularities that result from error.

From enquiries of those charged with governance, it was determined that the risk of material misstatement from fraud was low with little scope for fraud to occur. Our audit testing is designed to detect material misstatements from fraud where there is not high level collusion.

Our audit testing was designed to detect material misstatements from other irregularities that result from error where there is not high level concealment of the error. In this regard the following audit work was undertaken: applicable laws and regulations were reviewed and discussed with management; senior management meeting minutes were reviewed; internal controls were reviewed; and journals were reviewed. From this audit testing it was determined that the risk of material misstatement in this regard was low.

We carried out income and expenditure testing which was designed to identify any irregularities as a result of simple mistakes or human error. From this audit testing it was determined that the risk of material misstatement in this regard was low.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES

For the year ended 31 January 2024

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005, regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

1. ACCOUNTING POLICIES

(a) Basis of preparation of the accounts

The accounts have been prepared under the historical cost convention and are in accordance the Charities and Trustees Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

The Trust constitutes a public benefit entity as defined by FRS 102.

These financial statements consolidate the results of the charity and its subsidiaries on a line by line basis.

Going concern

The charity relies upon grant funding from outside sources in order to meet its day to day working capital requirements. The trustees have prepared cash projections until October 2025. The income projections are based upon past performances together with reasonable estimates of other income, whilst expenditure forecasts are based upon known fixed costs together with reasonable estimates of expected costs based on prior experience. These projections indicate that the charity should return to surplus position for the forthcoming year and will be able to operate within their available facilities.

The trustees continue to review all costs of the organisation and ensure that these are kept to a minimum. They also continue to consider ways to increase the future funding of the charity both through improving income streams.

Cash projections have been prepared until October 2025 on a prudent basis. The trustees have no reason to believe that their principal income sources will be materially reduced, or that the existing cost base will increase significantly and have prepared the projections on this basis. Based upon these assumptions, they are of the opinion that the charity should again be in a position to ensure that all expenditure is covered by income receivable during the year.

The charity's free reserves have been decreasing over the past years. On the basis of the projections and the charity's results since the financial year end, the Trustees consider that the charity will be able to meet its liabilities as they fall due. The financial statements do not include any adjustments that would result if the company was unable to operate within the available facilities.

The trustees consider it appropriate to prepare the financial statements on the going concern basis for the 12 months following the signing of these financial statements.

(b) Income

All income is included in the Statement of Financial Activities (SOFA), net of any VAT, when the charity has entitlement, probability or receipt and the amount can be quantified with reasonable accuracy. Income is only deferred where it must be spent in a future period, as specified by the funder. The following specific policies are applied to particular categories of income:

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

1. ACCOUNTING POLICIES (continued)

- Where entitlement is not conditional on the delivery of a specific performance by the charity, income
 from donations and grants is recognised when the charity becomes unconditionally entitled to the
 amount. Where related to performance and specific deliverables, income is accounted for as the
 charity earns the right to consideration by its performance.
- Gift aid from subsidiaries is recognised in the year in which the distribution is declared by the subsidiary.
- Investment income is included when earned.
- Rental income and income from recharged expenses is included in the SOFA in the year in which the service is provided.

(c) Expenditure

Expenditure is recognised on an accruals basis, as a liability is incurred, and is reported as part of the expenditure to which it relates:

- Expenditure on raising funds comprises the costs of generating donations and expenses recharged.
- Expenditure on charitable activities comprises those costs incurred by the charity in the delivery of its
 charitable activities. It includes both costs that can be allocated directly to such activities and those
 costs of an indirect nature necessary to support them, including governance costs.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity, including audit fees and costs linked to strategic management.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource.

(d) Goodwill

Goodwill, being the amount paid for the acquisition of the trade of an ice cream manufacturer and distributor in 2013, is being amortised evenly over its estimated useful life of five years.

(e) Heritage assets

The Trust holds heritage assets in support of its primary objectives to restore and preserve the historic village of New Lanark and to increase the knowledge and understanding of the village and the industrial development of Scotland. Assets include historic buildings, machinery, paintings and historical artefacts and exhibits either donated to, or purchased by, the Trust.

The Trustees consider that owing to the diverse, unique and incomparable nature of the village and museum pieces, conventional valuation approaches lack sufficient reliability and that, even if valuations could be obtained, the costs would be onerous compared with the additional benefits derived by the Trust and users of the accounts. Where reliable costs are known, usually with more recent restorations or acquisitions, the asset is recognised on the balance sheet and stated at cost. Where assets have been donated, or a reliable cost is not readily available, no value is reported on the Trust's balance sheet.

The assets are not depreciated as they are deemed to have indefinite lives and the Trustees do not therefore consider it appropriate to charge depreciation.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

1. ACCOUNTING POLICIES (continued)

The Trust has a policy of acquiring any assets which are relevant to its objects, where possible. Acquisitions are made by purchase or donation. Purchases are initially recorded at cost, however, donations are only valued where a comparable value can be obtained at a reasonable cost. Subject to the approval of the Trustees, the Trust may dispose of items, although this will only happen in exceptional circumstances, where, for example, the cost of maintaining the asset is excessive or it is unsuitable for public display.

Preservation costs

Expenditure which, in the Trustees' view, is required to preserve or prevent further deterioration of individual items, including preservation work to buildings and walls, is recognised in the statement of financial activities when it is incurred.

Further information on the heritage assets is given in Note 7.

(f) Non-heritage fixed assets and depreciation

Fixed assets are initially recorded at cost and only assets costing in excess of £2,500 are capitalised. Depreciation is provided on tangible fixed assets, other than heritage assets, land and housing, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life.

The rates are as follows:-

Assets under construction - nil

Buildings - 1%

Plant and machinery - 10%

Fixtures, fittings and equipment - 10% - 25%

Motor vehicles - 25%

Hotel fixtures, fittings and equipment - 20% - 25%

Housing fixtures and fittings - 10%

(g) Stocks

Stocks are stated at the lower of cost and net realisable value.

(h) Pensions

The Trust operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.

(i) Restricted and unrestricted funds

Restricted funds represent funds subject to specific conditions which are imposed by the donor.

Unrestricted funds are expendable at the discretion of the Trustees in furtherance of the objects of the Trust. In order to ensure that money is available for specific projects, certain funds are put aside and designated by the Trustees. Such designation carries no legal restriction.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

1. ACCOUNTING POLICIES (continued)

(j) Operating leases

The costs of operating leases, where the risks and rewards of ownerships remain with the lessor, are recognised in the Statement of Financial Activities on a straight line basis over the life of the lease.

(k) Financial instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value, including loans to subsidiaries, since these are repayable on demand.

2. NET MOVEMENT IN FUNDS

	2024	2023
This is stated after charging / (crediting):	£	£
Auditors' remuneration:		
audit services	28,820	36,009
non-audit services – accountancy	7,670	4,350
Depreciation	151,114	199,255
Loss on disposal of assets	10,525	-
Operating lease rentals	55,131	41,476

No trustees (2023: 3 trustees) received (2023: £1,599) expenses from the Trust in respect of travel to attend Trustees' meetings. The Trust paid Angus James Associates Limited, of which is a Director, £1,313 in the current year (2023: £2,334). The Trust paid £1,242 for the purchase of indemnity insurance to protect the charity from loss arising from the neglect or default of its Trustees, employees or other officers (2023: £739).

3. STAFF NUMBERS AND COSTS

	2024	2023
The aggregate payroll costs for the year were:	£	£
Wages and salaries	1,847,157	1,971,030
Social security costs	139,399	144,056
Pension contributions to defined contribution schemes	42,501	41,522
Other staff costs	81,580	39,628
Ex-gratia	-	9,500
	2,110,637	2,205,736

The policy for redundancy follows the statutory redundancy provisions.

There was no employment ended by way of a Settlement Agreement in the year (2023: one). No compensation was paid for termination in the year (2023: £9,500).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

3. STAFF NUMBERS AND COSTS (continued)

The number of employees earning more than £60,000 per annum can be analysed as follows:

, , ,	2024	2023
£60,000 - £60,999 (including employer pension contributions)	2	1

Key management personnel received total remuneration amounting to £351,471 (2023: £283,082) during the year, including employer pension contributions.

The number of persons employed by the charity full-time during the year, on a head count basis, was as follows:

At 31 January 2023	-

Goodwill represents the acquisition of the trade of an ice cream manufacturer and distributor in May 2013. The trading activity was initially operated through the Trust's subsidiary company, New Lanark Ice Cream Limited, but transferred to New Lanark Trading Limited in 2016/17, as shown at Note 10.

7. HERITAGE ASSETS

The Village's Heritage

The village of New Lanark was founded in 1785 by David Dale as an industrial settlement spinning cotton until production ceased in 1968. I made New Lanark famous as a model community and today the village, now a UNESCO World Heritage Site, is under the care of the Trust. The whole village is therefore classed as a heritage site. Assets include historic buildings, machinery, paintings and historical artefacts and exhibits, and are held as a working heritage centre preserving the historic village. The centre shows the development of the industrial settlement from 1785 to 1968, when the cotton spinning production ceased.

Preservation and management

The Trust seeks to revitalise the village by ensuring that all buildings are occupied and put to appropriate use. A rolling programme of major restoration, developed from the Buildings Conditions Survey, is followed, subject to sufficient external funding being available. Appendix I lists some of the planned activities.

New Lanark Trust has created a collections management policy to guide staff in the development and management of the Trust's collection, which encompasses material relating to the history of the site. All material held in 'the collection' is classed as a heritage asset. The general policy is not to dispose of heritage assets, however, trustees will occasionally approve the disposal of an exhibit where, for example, the cost of maintaining it is excessive or it is unsuitable for public display. The proceeds on disposal of items that are not recognised as fixed assets are reported in the statement of financial activities. Disposal proceeds are also separately disclosed in the notes to the accounts.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

Heritage assets not recognised on the balance sheet

The Trust holds a number of historical artefacts which have not been recognised on the Balance Sheet as cost information is not readily available. The Trustees believe no comparable value exists for these assets and the benefits of obtaining valuations would not justify the cost. The vast majority of the items were acquired many years ago.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

10. INVESTMENTS

Subsidiaries

The Trust received, by way of gift in prior years, title to the entire issued share capital of New Lanark Trading Limited, New Lanark Hotels Limited and New Lanark Ice Cream Limited. Details of these companies are as follows:

Subsidiary	Activity	Ordinary Shares	Country of Incorporation
New Lanark Trading Limited	Operation of visitor centre, textile production, generation of hydroelectric power and production and sales of ice cream	100%	Scotland
New Lanark Hotels Limited	Operation of a hotel, self-catering apartments, hostel and a leisure centre	100%	Scotland
New Lanark Ice Cream Limited	Dormant, previously production and sales of ice cream	100%	Scotland

New Lanark Trading recorded a loss of £613,369 (2023: loss £178,144) for the year ended 31 January 2024 and had capital and reserves in deficit of £1,334,407 (2023: deficit £721,038) at that date. New Lanark Hotels recorded a profit of £255,817 (2023: loss £379,987) for the year ended 31 January 2024 and had capital and reserves in deficit of £497,765 (2023: £753,582 in deficit) at that date. The management of the hotel and waterhouses was taken on by New Lanark Trading Limited on 31 January 2024 when New Lanark Trading Limited acquired the trade and certain assets and liabilities of New Lanark Hotels Limited. A liquidator was appointed on 12 April 2024 for winding up New Lanark Hotels Limited.

New Lanark Ice Cream ceased trading on 31 January 2016 and was dissolved on 9 April 2024.

New Lanark Trust is also the sole member of New Lanark Homes Limited, a company limited by guarantee. The company was incorporated in Scotland on 9 October 2008, commenced trading on 1 January 2009 and obtained charitable status on 3 August 2009. Its principal activity is the provision of housing and associated amenities within the New Lanark village; the charity manages the housing owned by the Trust, which is shown at note 7. The company recorded a profit of £nil (2023: profit £nil) for the year and had closing reserves of £182,483 (2023: £182,483) as at the year-end. On 1 May 2020, the activity of New Lanark Homes Limited transferred to the Trust with New Lanark Homes becoming dormant and the process for donating the closing reserves to the Trust is in progress at the date of the signing of these accounts.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

19. CAPITAL AND RESERVES (continued)

Unrestricted designated funds

The Repairs Reserve is held to meet the future developments of the village. The Heritage Assets, Land and Buildings, Other Tangible Fixed Assets and Goodwill funds represent the net book value of unrestricted fixed assets, which are not available as working capital.

Restricted funds

The *Heritage Assets* and *Other Tangible Fixed Assets* funds represent the net book value of social housing and fixtures and fitting therein. The purposes of other restricted funds are per their titles with full details of each restricted project available from the registered office on request.

Transfers

The transfer from the Maintenance and Repairs Fund to General Funds is to contribute towards the working capital of the charity as permitted by the funder. Other Transfers were made to fixed asset designated funds, representing the cost of asset additions funded from unrestricted funds in the year.

20. CAPITAL GRANTS AND DONATIONS

	Heritage Assets	Land & Buildings	Other Assets	Total 2024	Total 2023
	£	£	£	£	£
At 1 February 2023 Additions Amortisation	2,683,501 - - -	765,075 - (9,809)	117,033 - (77,927)	3,565,609 - (87,736)	3,362,143 291,707 (88,241)
At 31 January 2024	2,683,501	755,266	39,106	3,477,873	3,565,609

21. CONTINGENT LIABILITY

The grants from the Heritage Lottery Fund and Historic Environment Scotland are repayable in the event that the restored properties are disposed of without proper funder permission within 15 years from commencement of the grant. The trustees have no intention of making any such disposal.

The trustees have indicated to the directors of New Lanark Trading Limited that they will continue to support the company for the foreseeable future, and a period of at least 12 months from the date of these accounts. Support will be provided to assist cashflow through intercompany loans. At the year end it cannot be reasonably estimated how much this support will be, therefore, no provision has been recognised in these accounts.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

22. RELATED PARTIES AND ULTIMATE CONTROLLING PARTY

The trustees have taken advantage of the exemption conferred by FRS102 not to disclose intra group transactions.

No other transactions with related parties were undertaken in either the current or previous year such as are required to be disclosed under FRS102. No one individual had control over the Trust during either the current or previous year.

23. GOING CONCERN

The impact of the Covid pandemic on the general economy and tourism and hospitality industries has had a serious impact on the operational activities of the Trust and its subsidiaries. Management and the board have taken steps to mitigate the risks imposed by these trading conditions, specifically, a new, experienced hotel General Manager, the refurbishment of the hydro power turbine, the improvement in the quality of retail stocks and a much improved internal process for identifying and securing grant funding.

The study into the expansion of the hydro scheme is ongoing and once completed this will have a transformative impact on the finances of the Trust.

Projections and forecasts have been prepared that indicate liabilities can be met as they fall due. The trustees are satisfied that mitigation taken to date provides reasonable assurance that the charity can continue to operate for at least 12 months from the approval of these financial statements.

24. POST BALANCE SHEET EVENT

In the Autumn of 2023 the directors made the decision to simplify the structure of New Lanark group and cease the activities of New Lanark Hotels Limited. The management of the hotel and waterhouses was taken on by New Lanark Trading Limited and on 31 January 2024 New Lanark Trading Limited acquired certain assets and liabilities of New Lanark Hotels Limited. A liquidator was appointed on 12 April 2024 for winding up New Lanark Hotels Limited.

New Lanark Ice Cream Limited was dissolved on 9 April 2024.

The National Heritage Memorial Fund took securities over The Old School Buildings post year end.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 January 2024

25. NET INCOME FROM ACTIVITIES OF SUBSIDIARIES

As described in Note 10, the Trust owns the entire share capital of two active trading subsidiaries, New Lanark Trading Limited and New Lanark Hotels Limited, both of which gift aid their taxable profits to the Trust and pay interest on loans from the Trust. New Lanark Trust is also the sole member of New Lanark Homes Limited, a charitable company limited by guarantee with no share capital. A summary of the results of each company and their overall contribution to the group is shown below. Audited financial statements for all companies are filed with the Registrar of Companies.

	New Lanark Trading Ltd £	New Lanark Hotels Ltd £	New Lanark Homes Ltd £	Intra group eliminations £	2024 Total £	2023 Total £
