

Thankyou to everyone who took time to complete the questionnaires the other week .
Thankfully on the whole everyone was happy with how things are, I appreciate your
kind words of support and suggestions for new activities and will look into them.

Membership remains stable; we enjoy welcoming friends from Tyneholm every week
and since our last AGM , Shelly and William have joined us. We will continue to work to
encourage new members.

Office bearers have agreed to continue in their present posts

To all helpers and committee, I would like to say a huge thank you.

- * AOB , would anyone like to raise any other points

(Close the meeting by thanking everyone for coming .)
