Wellbeing Works, Dundee

Report of the Trustees
for the Year Ended 31 March 2024

The Trustees present the annual report and accounts for Wellbeing Works, Dundee for the year ended 31st March 2024. The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's Constitution, the Charities and Trustees Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland published on 16th July 2014.

AIMS AND OBJECTIVES

As detailed in the Constitution the organisation is established for public benefit. Our aims are:

To raise mental health and wellbeing in Dundee using a co-productive approach to develop good support, advocacy and self-help for people affected by issues around mental ill-health, so that they may pursue their personal goals in all aspects of life; and

To work in a culture that creates mutual respect while promoting individuals' rights and combating exclusion.

The objectives of the organisation are:

1. to promote mental health and wellbeing, in line with the recovery approach, for those with experience of mental illness and/or mental health problems;
2. to promote understanding of mental health and mental ill-health and of the support available within the community for those with experience of mental illness and/or mental health problems;
3. to provide facilities, activities and support in furtherance of the aims of clauses 1 and 2;
4. to promote and encourage cooperation with and amongst other voluntary bodies and organisations involved, whether principally or partially, with issues of mental health, and between such bodies and statutory authorities;
5. to promote understanding and improvement of the rights of those with experience of mental illness and/or mental health problems, and to combat prejudice towards individuals with such experience.

OUR SERVICES

Over the past year we have re-designed our service to provide one to one support, and groups and activities that we know help participants to understand and manage their own mental health and wellbeing, build confidence and resilience, learn new skills, and improve their connections in the community.

We have also developed new ways of measuring impact, and the difference we make for individuals. This has been an important piece of work, as it helps us to shape our service in ways that are effective in providing support that is empowering, giving participants opportunities to learn new skills and have a sense of agency around their own wellbeing.

Wellbeing Works, Dundee

Report of the Trustees
for the Year Ended 31 March 2024

STAFFING

We have seen some staff changes this year that has brought some new skills and experience to the team. We are particularly pleased to have appointed and Art and Crafts Facilitator, who has helped to bring out the best of our participants' creative skills, and enabled us to hold regular exhibitions of art work.

Our staff team have embraced the changes we have made in the service and ensure that each participant receives a compassionate response, and a support plan that is right for them in terms of where they are on their journey, and their aspirations for the future.

ACHIEVEMENT AND PERFORMANCE

Wellbeing Works has a main purpose of providing support so that people who face mental health challenges can experience better mental health and wellbeing, manage their condition, and feel that they have purpose and meaning in their lives.

In keeping with our Strategic Plan 2022-25, we are making good progress towards our key objectives.

We have reflected on how we work with our participants, and explored the activities and interventions that lead to the best outcomes for individuals in terms of their mental health and wellbeing. We have made some changes in our approach, giving participants the opportunity to identify the aspects of their mental health and wellbeing they want to work on, then support them to make plans, set goals, take action, and reflect on their own progress.

In recent years, we have observed a shift in our demographics, showing an increase in the number of younger adults attending our groups and activities. We hope to continue this trend with a view to providing earlier interventions that help in upskilling younger people in terms of managing their mental health and wellbeing.

This year, we were fortunate to be awarded 3 years of funding from the National Lottery for our Volunteering Plus project. This means that as well as our mainstream volunteering activities, Volunteer Plus focuses on supported volunteering, offering participants the chance to build confidence, skills and experience through engaging in voluntary work. We have made some great connections with local volunteer partners organisations which has enabled us to offer participants volunteering opportunities in a range of sectors, that they probably would not have been able to access otherwise.

Our Community Toolbox continues to grow, and we have recently introduced nominal hire fees for borrowing tools or equipment, which means we are generating a bit of income to support the project towards being self - sustaining.

FINANCIAL REVIEW

With regard to movement of funds, the overall surplus of income over expenditure was £31,689 being unrestricted funds at the end of the financial year. Aside from retaining a prudent amount in reserves each year, most of the Charity's funds are to be spent in the short term. Having considered the options available, the Board of Trustees has decided to place funds in accounts in order to secure optimum levels of interest, whilst ensuring that access to these funds is available as required.

Wellbeing Works, Dundee

Report of the Trustees
for the Year Ended 31 March 2024

RISK REVIEW

Like many organisations, we have faced some challenges in awarding fair pay to our staff. We were fortunate that the Health and Social Care Partnership were able to increase our contract funding to enable us to pay our staff a minimum of the Living Wage.

RESERVES POLICY

In maintaining reserves, Wellbeing Works seeks to retain sufficient funds to meet contingent liability for redundancies and, in the event of having to cease service provision through loss of funding, to be able to manage this in an orderly and planned manner. In addition, Trustees have established a policy whereby funds not committed or invested in tangible fixed assets ("the free reserves") held by Wellbeing Works, should be sufficient to cover the resources likely to be expended on normal operations in a three-month period, with the balance being held to cover unforeseen monetary needs in general funds. The Trustees do not envisage any significant changes in future years.

PLANS FOR THE FUTURE

Having made some significant changes in how we work with people, and the associated administrative systems that support the work, it is important that we take some time to allow staff to gain skills and confidence in the new approach.

We recently secured some funding to build a summer house on our allotment on The Law. Our aim is to use this space which overlooks the city of Dundee and the River Tay to run some of our groups and activities in this idyllic spot.

We are also already involved in planning events to help us celebrate our centenary in 2025.

STRUCTURE, GOVERNANCE AND MANAGEMENT
CHARITABLE STATUS

Wellbeing Works is a Scottish Charitable Incorporated Organisation.

BOARD OF TRUSTEES

Our Board of Trustees has 8 members and met on 6 occasions between April 2023 and March 2024.

ORGANISATION

It is the responsibility of the Board of Trustees to agree the strategic direction and corporate objectives of the organisation and to monitor its overall performance, as well as to ensure that sufficient controls exist to safeguard assets. Senior staff attend Board meetings and are responsible for reporting to the Board regarding organisational performance.

Independent Examiner's Report to the Trustees of
Wellbeing Works, Dundee

I report on the accounts for the year ended 31 March 2024 set out on pages six to sixteen.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

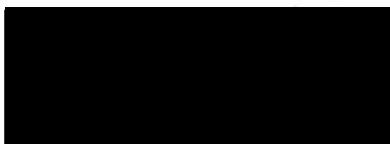

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that, in any material respect, the requirements

- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
- to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The financial statements were approved by the Board of Trustees and authorised for issue on and were signed on its behalf by:

..... 17/12/2024

The notes form part of these financial statements

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and amended 2 February 2016 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustees Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The financial statements have been prepared on the going concern basis. The Board of Trustees consider that it is appropriate to prepare the financial statements on this basis as there are sufficient reserves carried forward and future income streams have been identified. If the charity were unable to continue as a going concern, the accounts would have to be adjusted to write down assets to their recoverable amount, to provide for any additional losses or liabilities that might arise and to reclassify fixed assets as current assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on cost
Computer equipment	- 33% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
