TRUSTEES' REPORT

FOR THE YEAR ENDED 31 OCTOBER 2023

The trustees present their annual report and financial statements for the year ended 31 October 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's constitution, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The charity's objects are to provide relief to children and young adults in need by reason of long-term physical disability (meaning a long term physical impairment of the musculo-skeletal, neurological, or cardiorespiratory system of the body and those who are registered blind), who are resident in Scotland and aged eighteen years and under, by providing grant support towards the purchase of items and services that will improve their lives.

Achievements and performance

The Trust made grants amounting to £35,394 (2022: £13,568) during the year.

Financial review

The investments of the Trust have a market value of £1,059,740 (2022: £1,088,288) and there are net current assets of £80,990 (2022: £98,558). The Trust received income of £32,267 (2022: £34,830) during the financial year and £35,394 (2022: £13,568) was applied in making awards.

Reserves policy

It is the policy of the charity to maintain reserves at a level which will enable the charity to generate sufficient investment income to cover the payment of grants and the administration and support costs of the charity.

At 31 October 2023 total funds amounted to £1,140,730 (2022: £1,186,846). Investment income remains the main source of income for the Fund and the level of reserves held within the Fund's investment portfolio is considered necessary for the generation of a sufficient level of income to funds its operations.

Structure, governance and management

The charity was established as a Scottish Charitable Incorporated Organisation (SCIO) on 4 January 2023 to replace Douglas Hay Trust for Crippled Children (SC014450).

In the course of the year ended 31 October 2023 the assets and liabilities of Douglas Hay Trust for Crippled Children (SC014450) were transferred to the SCIO. Douglas Hay Trust for Crippled Children was wound up on 23 October 2023.

The charity's affairs are managed by the Secretary and Treasurer, Johnston Smillie Ltd, under instruction from the Trustees.

The trustees who served during the year and up to the date of signature of the financial statements were:

New trustees are appointed by the existing trustees. New trustees will receive suitable training from continuing trustees and the secretaries and treasurers and will be given a copy of OSCR Guidance for Charity Trustees.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 OCTOBER 2023

None of the trustees receive any remuneration or benefit from the charity.

The trustees' report was governed by the Board of Trustees.

Trustee

8 July 2024

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DOUGLAS HAY TRUST

Lifeport on the financial statements of the charity for the year ended 31 October 2023, which are set out on pages 4 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investments (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations;

have not been met or

(b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Trustee

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2023

1 Accounting policies

Charity information

The charity is a registered charity in Scotland and is incorporated as a Scotlish Charitable Incorporated Organisation. The address of the principal office is c/o Johnston Smillie Ltd, 5 South Gyle Crescent Lane, Edinburgh EH12 9EG.

These financial statements have been prepared under the merger method and combine the financial activities of the Douglas Hay Trust for Crippied Children (SC014450) and the Douglas Hay Trust (SC052223). The Douglas Hay Trust (SC052223) was established as a SCIO to replace the Douglas Hay Trust for Crippied Children (SC014450), which was wound up on 23 October 2023.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's constitution, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for small charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include investments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The trustees therefore continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The charity has no restricted funds.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity. The charity has no endowment funds. Amounts previously shown as endowment funds in the financial statements of Douglas Hay Trust for Crippled Children were recategorised as unrestricted funds upon establishment of the SCIO as there is no restriction on the application of these funds.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 OCTOBER 2023

1 Accounting policies

(Continued)

1.5 Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

Financial instruments comprise financial assets and financial liabilities which are initially recognised at transaction value and subsequently measured at their settlement value with the exception of investments. Investments are measured initially at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluations and disposals throughout the year.

Realised gains and losses

All gains and losses are taken to the statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sales and proceeds and their opening carrying value or purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between fair value at the year end and their carrying value. Realised gains and losses are combined in the statement of financial activities.

Financial Instruments measured at fair value

Financial Instruments measured at fair value comprise listed investments. Fixed asset investments, on which the ongoing financial sustainability of the charity depends, are considered to carry a significant risk of material adjustment. The main risks lie in the combination of uncertain investment markets and volatility in yield.

1.9 Debtors

Debtors are recognised at the settlement amount due. Prepayments are valued at the prepaid amount.

1.10 Creditors and provisions

Creditors and provisions are recognised where a present obligation from a passed event will probably result in the transfer of funds to a third party and the amount to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 OCTOBER 2023

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
