Objectives and activities

Charitable purposes

As an educational charity, our purposes are the advancement of education (particularly in the outdoors), the advancement of health and the advancement of citizenship and community development.

These purposes are particularly targeted at young people.

Summary of the main activities in relation to these objects

Our weekly Group meetings for the Squirrels (aged 4-6), Beavers (aged 6-8), Cubs (aged 8-10) and Scouts/Explorers (aged 10-17) allow us to work with young people to meet our purposes through a balanced programme of activities based on The Scout Association's method. We also ensure that every young person has the opportunity to attend several nights away events every year.
