We wish to protect this resource for future generations so that they can have future access to the facility.

We provide the opportunity for participation in sports especially football for young people. We have a local amateur football team using our pavilion as a base. Our meeting room is available for groups to hire for meetings or for other small events.

Achievements and performance

Summary of the main achievements of the charity during the financial period

Boddam Recreation Trust continue to carry on providing Football facilities for 3 local football clubs - Boddam United, Buchan Girls Club and North East Boys Club - using our pitches regularly for matches and for practice sessions.

Our Coffee Morning continues to flourish, and we now have a Craft Group meeting weekly.

We are also helping provide facilities for the local Nursery and Primary School who use our facilities free of charge.

Boddam Nursery now uses our fields and play parks for little outings. Local people all make use of the fields for general recreational purposes.

We have received two grants in the year. One to cover the cost of painting the interior of the Pavilion and the second to install new water heaters in the changing rooms and toilets.

We have four current Trustees following the resignation of a member in the year.

We are happy with our continuing success in providing sporting facilities for local football teams and for locals to enjoy the green spaces in our local community.
