OBJECTIVES AND ACTIVITIES

Significant activities

World Care Foundation operates a number of activities/projects in various countries which can be grouped under the following broad sectors:

- o Education
- o Health
- o Food
- o Water
- o Housing
- o Sustainability
- o Crisis Relief Work

All our activities are identified, initiated and undertaken after a rigorous project uptake process which includes aspects such as:

- o Public benefit
- o Assessment of the actual needs (nature and severity) on the ground
- o Alternative solutions
- o Avoidance of duplication of work
- o Legal, safety and other regulatory implications
- o Ability to deliver with systems to thoroughly monitor and evaluate each activity
- o Audit plans including site visits and engagement of external auditors
- o Implementation of clear, documented and robust delivery plans either through WCF's own teams or local partners
- o Vetting of approved local partners and due diligence screening
- o Adequate funding
- o Thorough comparison and obtaining alternative quotations in order to gain maximum benefit of funds
- o Ethical, religious and cultural sensitivities

Due to the fluid nature of the charity projects, each project is constantly monitored in order to expeditiously respond to any changes.

Volunteers

The founding members believe that each community should benefit from a setup that facilitates volunteering opportunities in all aspects of the charity work. Therefore, the core setup incorporates local communities (donors, general supporters), volunteers and supporting organisations into a more connected relationship with the charitable activities. This is also ideal for accountability, transparency and personal involvement into the projects leading to more empowered and compassionate volunteers thus creating a more compassionate society.

The Trustees are grateful to the untiring army of volunteers who have participated in different activities and contributed to the progress of charity.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The year 2022 - 2023, post COVID, saw a huge number of volunteers looking to get involved which was very beneficial for supporting ongoing projects in the UK and abroad. Two major disasters: Pakistan Flooding and Turkey/Syria Earthquake were the biggest focus of activities during the year. Our teams' fast response in particular for the Turkey/Syria earthquake where our UK teams were operational on the 2nd day of the disaster was an excellent outcome. This also helped inspire more volunteers and donors in general to help those in need.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Report of the Trustees for the Year Ended 31 May 2023

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The law applicable to charities in Scotland, the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution, requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 952024 and signed on its behalf by:

Report of the Independent Auditors to the Trustees of World Care Foundation

Opinion

We have audited the financial statements of World Care Foundation (the 'charity') for the year ended 31 May 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 May 2023 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Report of the Independent Auditors to the Trustees of World Care Foundation

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Accounts (Scotland) Regulations 2006 and the Charities and Trustees Investment (Scotland) Act 2005 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' annual report; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We gained an understanding of the legal and regulatory framework applicable to the charity and the industry in which it operates. We made enquiries of management as to whether there were any known or suspected instances of non-compliance with laws and regulations or fraud, and reviewed available board minutes for any indication of such matters
- We gained an understanding of management's internal controls designed to prevent and detect irregularities in their day-to-day operations.
- We considered laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to: the Charities Accounts (Scotland Regulations 2006 (as amended) and the Charities and Trustees Investment (Scotland) Act 2005. We assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement components. Our tests included agreeing the financial statement disclosures to underlying supporting documentation, enquiries with management and enquiries of relevant third parties.
- We considered how fraud might occur in this company and designed our tests accordingly.
- As in all audits, we also addressed the risk of management override of internal controls, including reviewing journals and evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Notes to the Financial Statements for the Year Ended 31 May 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005. The financial statements have been prepared under the historical cost convention.

The charity meets the definition of a public benefit entity under FRS102.

Going concern

The trustees consider annual budgets and management accounts to monitor the charity. They continue to believe the going concern basis of accounting appropriate in preparing the annual financial statements. There are no material uncertainties about the charity's ability to continue as a going concern.

Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that effect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for income and expenditure during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

No significant judgements have had to be made by management in preparing these financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably. The charity's main source of income is from donations and fundraising events.

The charity received no grant income.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

- Raising funds costs comprises of fundraising events costs incurred.
- Charitable activities costs comprise of costs incurred by the charity in the delivery of its day to day activities and the overseas and local projects.

Allocation and apportionment of costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charity's activities. These costs have been allocated as expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 5.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Notes to the Financial Statements - continued for the Year Ended 31 May 2023

1. ACCOUNTING POLICIES - continued

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Volunteers

In accordance with the Charities SORP (FRS 102), the general volunteer time of the management and various teams are not recognised as income or expenditure. Refer to the trustees' annual report for more information about their contribution.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any discounts due.
