

## **Appendix 2 – Notice of application for dissolution of solvent SCIO**

This notice will be published on OSCR's website within 14 days of your complete application being received by OSCR. It will remain on the website for 28 days, during which time any person may contact OSCR to object to or offer further information regarding the dissolution.

Once the 28 day publication period has expired, OSCR must make its decision on the SCIO's application to dissolve within 21 days.
