Please email this form to candi@oscr.org.uk

In asking us to consider your concern, you accept the way in which we work and our authority to come to a final decision in the matter. We will work with you, and those you have raised concerns about, to make sure the facts are accurate. However, it is for us to interpret the facts and the available evidence and come to a judgement. We will not provide updates, but when our inquiries are complete, we will write to let you know and tell you the outcome in general terms.
